What app for school?

Tok-Tok!

Enterprise Communicator

Tok-Tok! is a smartphone app that empowers schools to communicate effectively and efficiently. Teachers, students and parents can conveniently reach everyone they need to. Group communication doesn't come any easier!
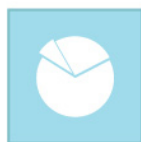

Available on iOS and Android
http://www.tok-tok.me

FEATURES & BENEFITS

SCHOOL DIRECTORY WITH AUTO UPDATES

Group recipients according to your school organisations, i.e. by levels, classes, CCA, parent groups and more.
Updates get pushed to the smartphones automatically.

VOTES / POLLINGS

Conduct polls easily and get instant results.
Gathering consensus doesn't come any easier.

CHATS AND BROADCASTS

Chat or broadcast messages to large groups of users seamlessly, over Tok-Tok! notification, SMS, and email.
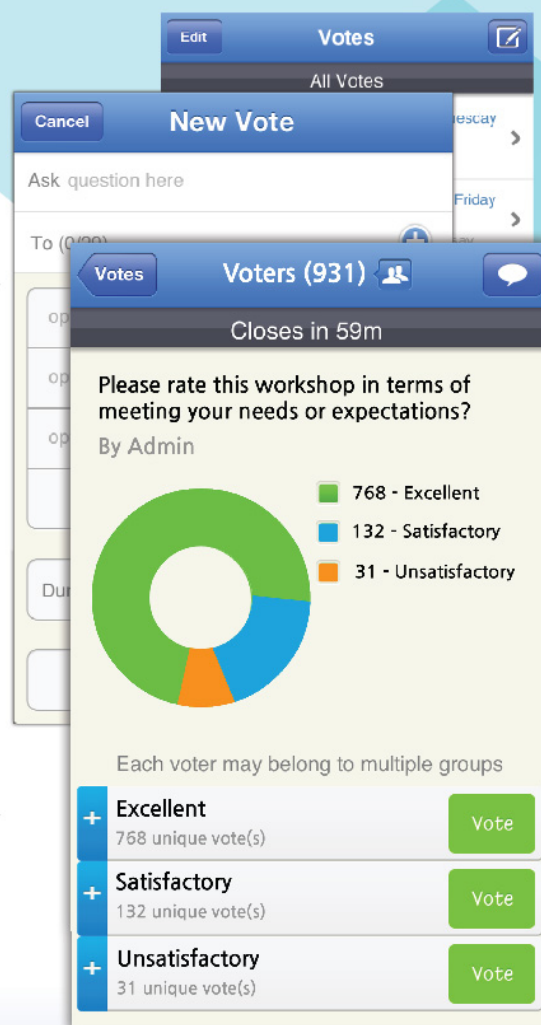

ORGANIZE EVENTS

Organize events with just a few clicks.
Instantly find out who's coming and who's not.

PRIVACY AND SPAM PROTECTION

Interact without revealing phone numbers.
Messages are encrypted to prevent eavesdropping.
Control Spam – sender can determine if recipients can reply, and to whom the replies go.
